## **OnlineVarsity Deliverables**

Onlinevarsity is a digital content access and collaboration platform for Aptech students. The numerous interesting features of the platform will enhance learning experience of the students.

(Faculties can access eBooks and other components in Onlinevarsity through Aprack.)

Resources available on OnlineVarsity (as applicable):

Icons	Feature - Description / Functionality
	<b>Download eBook</b> - Student has the option to download the subject related e-book and read offline
	<b>Glossary</b> - Student can access a list of subject related specialized words with their definitions.
	<b>FAQ</b> - Student can access frequently asked questions and their answers
	<b>Show Me How</b> - Student can view a step-wise simulation / demonstration of the module related topics.
	<b>Practice 4 Me</b> - Student can test and evaluate their understanding of module related topics.
	<b>Work Assignments</b> - Student can solve scenario-based lab assignments (Hands-on). The faculty will evaluate and give their feedbacks.
	<b>References</b> - Student can access additional subject related material for reading.
	<b>Feedback</b> - Student can provide feedback on the course material
	<b>Ask to Learn</b> – Student can submit subject related technical queries. Queries submitted will be directed to the particular course coordinator/head.
